

SHSAA Holds Scholarship Award Ceremony and Celebratory Open House

2022 Honored Alumnus Todd D. Olson '81 delivers his inspirational message at the SHSAA Awards Ceremony on May 21.

On May 21, 2022, the stormy weather outside was frightful, but inside the Salem High School auditorium, it was certainly delightful as the Salem High School Alumni Association held its 2022 Scholarship Award Ceremony. A new record was set when \$533,050 in scholarships were awarded to 80 SHS graduating seniors who attended the event, and to 30 postsecondary alumni and one band camp scholarship recipient who were acknowledged during the program. In total, there were 131 SHSAA scholarships awarded for 2022. A large crowd of parents, family members, Salem alumni, and many friends filled the auditorium as they also witnessed the 141st Annual Meeting of the alumni association and the special recognition of the 2022 SHSAA Honored Alumnus, Todd D. Olson '81.

The program began with an official welcome from SHSAA Executive Director Audrey Cleveland Null '76. The association's Annual Meeting was then called to order by 2nd Vice President Mickey Cope Weaver '60 in the absence of SHSAA

President Frank Zamarelli '82 who could not attend because of an unfortunate bout of Covid. Five SHSAA Board of Trustees members were re-elected to another three-year term: Shane Harding '03, Tim Harrington '84, Nate Mullen '04, Wendy Storey Saltsman '77, and Mickey Cope Weaver '60. Two new board members were voted upon and accepted as Dr. Peter Apicella '82 was welcomed back to the Board of Trustees for a three-year term, and newcomer Karli Utt Dennison '12 was added as a board member also for a three-year term. Two members going off the board, Frank Zamarelli '82 and Maggie Berthold Fearn '99, were thanked for their tenure. In Frank Zamarelli's absence, his daughter Brittany Zamarelli Maniscalco '16 accepted his appreciation plaque and then presented a check to the association from her father for \$1500 as a "Pay It Forward" contribution.

Officers for the 2022-2023 year were elected and include Mary Winch-Korff '91 - President; Jean Kiliman Esposito '71 - 1st Vice President and Chairman of the Scholarship Committee; Mickey Cope Weaver '60 - 2nd Vice President and Chairman of the Alumni Relations Committee; Tim Harrington '84 - Secretary; and Wendy Storey Saltsman '77 - Treasurer.

Toward the conclusion of the meeting, Treasurer Wendy Storey Saltsman '77 gave a financial account and reported that the association's balance was \$13,061,962.00 on December 31, 2021. She also announced that of that balance, 2.9 million represented named scholarships from donors who either individually or as a group had contributed at least \$100K toward a common goal of a named scholarship. Financial activity during 2021 included 585 donations totaling \$378,761.00; realized investment income of \$460,689.00; and net income before depreciation of \$318,830.00. IRS reporting for the years 2020 and 2019 reflected that 90.9% and 90.2% respectively of expenditures went toward the alumni association's mission. Scholarships are funded from monies from the investment portfolio. The association's policy guidelines stipulate the annual spending of up to 5 percent of the 12-quarter rolling average of the market value of the investment portfolio. The

alumni office's operating expenses are also taken from that percentage portion of the association's investment portfolio earnings.

Before the scholarships were awarded to the students, Todd D. Olson '81, 2022 Honored Alumnus, was introduced by SHSAA board member and 2013 Honored Alumnus Tim Harrington '84 as the featured speaker. (See page three for Olson's bio). The owner of BOC Water Hydraulics in Salem, Olson encouraged graduating seniors to consider paying it forward and to share their talents with the community. He gave three pieces of advice to the students. Lesson one: "I encourage you to be flexible and adopt a plan." Olson related how his own plan to be a Navy flier was sidetracked. He instead pivoted to a focus in nuclear power because he did not meet the vision requirements. That decision served him very well while he pursued his Navy career.

Lesson two: "Learn to take risks and don't always go with the flow." After being honorably discharged from the Navy, Olson took a prestigious job with telecommunications company MCI in Washington, D.C., but decided to take a risk and come home to Salem and work with his father, Don Olson, at BOC Water Hydraulics. "Although I was paid a very small salary," said Olson, "it was one of the best decisions I have ever made as I was back home with my family and in the community I grew up in." In 2005 he became the owner and president of BOC Water Hydraulics, located at the intersection of Route 45 and Route 165 in Salem.

Lesson three touted by Olson: "Be gracious and never stop giving back, as this is the 'secret sauce' for life." He relayed to the graduating students that giving back and focusing on other people are essential to a well-lived and joyful life. Using the Dead Sea as an example of how not to be, Olson explained that with the Dead Sea, everything flows in, but because nothing flows back out, life cannot be supported. He has lived this advice of giving back since returning to his hometown by hiring Salem graduates at BOC Water Hydraulics and supporting the technical trades at Salem High School.

Following the Award Ceremony, a catered Open House reception was held in the SHS cafeteria. Those attending had the opportunity to congratulate the scholarship recipients and the Honored Alumnus, while mingling with friends and family and SHS alumni. Barb Capel Shaffer '72 was recognized and given the chance to announce the details of the SHS Class of 1972 50-year reunion celebration. Executive Director Audrey Cleveland Null '76 reminded everyone to check the SHSAA website for the other SHS reunions planned for the upcoming season. The Open House concluded at approximately nine o'clock, and attendees, who had been encapsulated in the auditorium as audience members during the evening's festivities, left the event surprised to hear of the thunderstorm that had rumbled through town during the events. Quaker pride was evident as all bid farewell to a successful evening.

SHS alumni, scholarship recipients, and family and friends enjoyed the SHSAA Open House that followed the Scholarship Award Ceremony.

A delicious buffet of appetizer fare was served to attendees at the Open House by the Catered Affair of Salem.

A group of 2022 graduating seniors celebrated their achievements and close friendships in front of the SHS cafeteria windows.

Quaker Sam made an appearance at the event via iced sugar cookies.

Todd D. Olson '81 Is the 2022 SHSAA Honored Alumnus

Todd D. Olson
SHS Class of 1981
2022 Honored Alumnus

Todd D. Olson '81 has a long list of impressive accomplishments that more than qualified him for selection as the 2022 Honored Alumnus. Growing up in Salem, he was actively involved in the Boy Scouts of America and eventually earned the rank of Eagle Scout. He was the SHS Class of 1981 valedictorian and achieved a Presidential nomination to attend the prestigious United States Naval Academy where he graduated

with distinction as a member of the Top Ten in his class.

Olson attended the US Navy's Nuclear Power School in Orlando, Florida, and was assigned to the US Navy destroyer USS John Rodgers (DD-983) as the Communications Officer from 1986 to 1988. He then transferred to the aircraft carrier USS Theodore Roosevelt (CVN-71) and was assigned to the Reactor Department. When Olson decided to move into the private sector, he was honorably discharged and received numerous personal awards (medals) and various deployment citations.

Olson and his wife Julie moved to Pittsburgh, PA, and he attended Carnegie Mellon University where he graduated once again with distinction with a Master of Science in Industrial Administration. They moved to Washington, DC, after Olson accepted a job with MCI, the second-largest long-distance telecommunications company in the United States. MCI was instrumental in legal and regulatory changes that led to the breakup of the monopoly of the AT&T Corporation. Olson was a key strategic player in the top levels of senior management at the company and was responsible for developing corporate strategies involving key merger and acquisition plans for MCI and the entire telecommunications industry.

In 1996, Olson moved back to Northeast Ohio to assist his father, Don Olson, in managing the family business, BOC Water Hydraulics. He spent eight years as the vice president of BOC, and he officially became the president

and owner in 2005. He had the dedication and ambition to fulfill the vision of his father who started BOC Water Hydraulics in an office above a pharmacy in Salem and has helped build the business to the current location at the corner of State Route 45 and State Route 165. Olson forged ahead and made BOC Water Hydraulics the industry leader for descale valves, decoking valves, mill cylinder repairs, and the highest quality engineering designs for a variety of hydraulic and pneumatic systems. He expanded operations and now has over 37,000 square feet of manufacturing space and a fully functioning production and machine shop on-site that includes 15 CNC machines and multiple 10 ton and above cranes.

That belief in community has made Olson a passionate advocate for "all things Salem." He has supported the technical trades at Salem Senior High School by consistently donating time and funding to upgrade the facilities and by hiring graduates from Salem at BOC Water Hydraulics. His hiring philosophy of "find the best talent in this area, and they will beat the rest" has always paid off. Olson has repeatedly hired Salem High School graduates because he knows Salem and believes in the people of Salem.

He has been an avid supporter of the Salem Area Chamber of Commerce and has volunteered his time by serving on several boards of organizations throughout the community, including the Sustainable Opportunity Development Center, the Salem Regional Medical Center, and the Salem High School Alumni Association where he successfully assisted with the building renovation that was completed in 2020.

"The association was excited to honor and congratulate Todd Olson during this year's SHSAA Scholarship Award Ceremony. He exemplifies the ideal candidate for the SHSAA Honored Alumnus recognition," said Frank Zmarelli '82, alumni association past president. "We recognized him for his service in the military and as a humble, dedicated, and well-respected businessman." Executive Director Audrey Cleveland Null '76 said, "Todd has shown such a passion for our community through his volunteer commitments, his philanthropic gifts, and dedication to helping students. The alumni association's building renovation was a seamless process, in part, because of his unwavering support at weekly construction meetings."

Olson and his wife Julie currently live in Lake Milton and have two adult children, Stephen, 27, and Rachel, 29.

Unique Quaker Christmas Gift to Benefit Scholarship Campaign

In 2020 the Salem High School Class of 1977 launched a campaign, **Class of 1977: Cherishing our memories by investing in future alumni**, to raise \$100,000 in order to create an endowment that will fund a scholarship of \$5,000 to be given each year to a deserving student.

Commemorative cherry wood coasters are being offered by Rich Karlis with all profits donated to the Class of 1977 scholarship fund. A set of four coasters is \$60 which includes free shipping. A set of two can be ordered for \$30 with the additional shipping cost of \$9.95. To place an order, please go to Rich's website: <https://www.barefootbroncowoodworking.com>.

To date, \$51,908 has been generously donated, and an

additional \$24,700 is pledged as yearly gifts. This brings an expected total of over \$76,000. While the scholarship campaign is grateful to the 42 supporters who have made a donation, there is still time to hear from more classmates. Donations or pledges of any amount will help the class reach its goal. If alumni give online, please select "Class Gift" for the Type of Tribute field and enter "1977" in the Tribute Name field. To honor or memorialize a member of the Class of 1977, please send a check to the association, designating the gift as "Class of 1977 in honor/memory of <name>" in the memo line of the check. Progress on the scholarship campaign will be communicated on the Salem High School Class of 1977 Facebook page: <https://www.facebook.com/groups/SalemHighSchoolClassof1977/?ref=share>.

More SHS Reunion Celebrations...

Salem High School Class of 1972 • 50-Year Reunion • July 22-23, 2022

The classmates of the Salem High School Class of '72 recently celebrated the golden anniversary of their graduation from high school. The activities started on Friday morning with a golf outing that was enjoyed by the golfers in the class. On Friday afternoon dedicated volunteers gathered at the Salem Italian-American Club to decorate for the reunion the next day. Beautiful black and red centerpieces adorned the tables and were made and donated by Sally Field Gaines. The centerpieces were then given as door prizes during the reunion. Black and red balloons and gold "50" balloons also decorated the room.

On Saturday morning the Quakertown Trolley took classmates to Salem Senior High School for a tour. The trolley drove by several of Salem's elementary schools, and it also stopped at Sebo Stadium to view the brick the class had donated.

Classmates from all over the country gathered Saturday evening at the Italian-American Club to reconnect and renew old friendships. A 50/50 drawing was held with half of the proceeds going to the Salem High School Alumni Association. Barb Capel Shaffer, class historian, displayed scrapbooks and a Class of 1972 Memory Book which honors deceased classmates. Barb has been class coordinator for several years and is stepping down from this position. Ray Fortune is stepping up to be the new class coordinator. Much has changed in the last 50 years, but one thing that has not is that the SHS Class of '72 still "LOVES THOSE QUAKERS"!

SHS Alumni Weekend will be held during the second weekend of August 2023. Mark your calendars and plan to attend the celebration with fellow alumni and friends.

The Alumni Weekend celebration held on August 13 and 14, 2022, was a success as the alumni association collaborated with the Downtown Salem Partnership which organized the FreedFest and pARTy events for the community. On Saturday, SHSAA sponsored an Open House that saw many alumni and friends stop in to see the new Alumni Art Wall. Music filled the air as two stages in downtown Salem had musical entertainment throughout the day. Alumnus Jason Alan Greenamyer '02 and his wife Stacy performed a magic show in McCulloch Park. On Saturday evening, over a dozen restaurant/bar venues had musical entertainment that was co-sponsored by the Salem High School Alumni Association. Sunday evening's Summer Concert Series at Waterworth Memorial Park was SHS Alumni Night with The Ovation Band, a classic car show, and the ever-popular Frostop Mug. A fun time was had by all. SHSAA thanks those who helped plan events, the sponsors of events, and kudos to everyone who attended one or more events!

SHS Class of 1982

Fall 2021 SHS Reunions...

SHS Class of 1991

On November 28, 2021, the SHS Class of 1991 held its 30-Year Class Reunion, "Red and Black Friday." The evening kicked off at Liebe Wein where classmates gathered as they embarked on a "pub crawl" through Salem. The goal was to solve a variety of clues that would take them to various venues in town. Earlier in the day, the class hosted an Open House at the SHS Alumni Association where a few former teachers visited with alumni. Class Coordinator Carmen Keener announced the establishment of the 1991 Legacy Campaign. Over 10 years, the class will host various fundraisers to raise money for a Quaker Sam statue to be erected, most likely at Sebo Stadium or a place to be determined. They will also place a time capsule to be opened 100 years after their graduation, in 2091. These gifts will be presented at the 40-Year Class of 1991 Reunion. The Class of 1991 continues its Pay It Forward Campaign, with donations going to the SHS Alumni Scholarship Fund. Classmates raised \$300 that evening for the campaign, with George Bigham donating \$200 as the platinum contributor. The class also sold t-shirts for the event. Shirts may be printed again, but the Class of 1991 is asking for \$1 per shirt in the future. Contact Carmen for more details at carmenkeener@hotmail.com.

Shown in the photo are former SHS teachers Bill and Jean Kiliman Esposito '71 who stopped into the alumni association to visit during the SHS Class of 1991 Open House. Class Coordinator Carmen Keener is in the picture (right) with fellow classmate Jodi Chappell Mitchell.

SHS Class of 2016

The SHS Class of 2016 had a wonderful time during the 5-Year Class Reunion that was held late last fall at Aeonian Brewery. (Left to Right): Owen Washam, Alec Economous, Max Righetti, Tony Maniscalco, Nathan Noles, Keaton Turney, Josh Tungate, Kane Zellers, Corey Hughes, Jarrod Polen, Elizabeth Willis, Brandon Horner, Emily Fitch, Kerry Dombroski, Brittany Zamarelli Maniscalco, Cheyanna Porter Musial, Hanna Moran Holbert, Rylee Leider, Noah Holbert, Deven Neal, and Demetrius Pullie.

Alumni

Notes

1962

In July of 2020, **Manfred F. Meine, Ph.D.** retired from his second career as a full-time professor at Troy University in Alabama. He was recognized as a distinguished faculty member after 26 years as a senior administrator and graduate professor. In August 2021, Meine was

fortunate to be named Professor Emeritus and was a recipient of a special Board of Trustee Citation for leadership and service. In October of 2021, he was inducted into the Army Criminal Investigation Hall of Fame, 26 years after retiring from a 33-year Army career.

Despite having a third heart attack last September, Dr. Meine is doing well. He and his wife Rita of 58 years enjoy life in Florida. The Meines have three children who are military veterans, seven grown grandchildren, and six great-grandchildren. They travel to see family members as often as possible.

1990

Kast Iron Soda Works in downtown Salem featured Quaker Sam Soda during the SHS Alumni Weekend with a portion of the proceeds benefiting SHSAA. Alumna **Lesley Marroulis Kline** and her husband Wil opened the popular gathering place in 2021, and they have been busy serving soda pop to thirsty customers. With close to 400 bottles of pop to choose from, patrons relax and hang out in the retro venue that offers a vibe like no other. Lesley and her family moved back to Salem from

Huntington, Indiana in 2016. The Klines wanted to own their own business and invest in the idea of creating a place for people in the community to come together for conversation while enjoying a delicious beverage.

Honored Alumnus Nominations

The Salem High School Alumni Association began honoring an outstanding alumnus in 1958. Recipients of this honor are recognized for their outstanding or unusual contributions in areas such as community service, professional success, and service to SHSAA.

The Salem High School Alumni Association encourages alumni to nominate a graduate of Salem High School for the Honored Alumnus Award for the coming year. If you have a candidate you would like to nominate, please send a one-page description explaining why you feel this person would qualify for the honor. If you prefer, please access the SHSAA website and click on the "Contact Us" tab and fill out the form. All submissions must be entered by December 1, 2022.

Previous nominations from the past five years are automatically included in the selection process. The SHSAA Alumni Relations Committee will select an honoree in early 2023, and the inductee will be honored and asked to speak to the SHS Class of 2023 during the SHSAA Scholarship Award Ceremony on Saturday, May 20, 2023.
